

marantz®

SACD 30n

Networked SACD / CD player with HEOS® Built-in

A master-tuned, elegantly designed SACD / CD player with integrated digital sources. Includes Marantz Musical Mastering processing and a very low-noise, crystal-clear pre-amplifier. The SACD 30n supports a wide variety of high-resolution files and streaming services. Pairs with the MODEL 30 integrated amplifier. Your music always sounds better on a Marantz.

- Best Marantz audio quality from any digital source.
- Tuned with passion by the Marantz Sound Master.
- Marantz CD/SACD transport mechanism reduces interference.
- Marantz HDAM circuitry for clean, optimal dynamics.
- DAC Mode, SACD/CD player, streamer and very low-noise pre-amplifier.
- Marantz Musical Mastering for pure analog audio from any digital source.
- Fixed level and independent variable output.
- Multiple inputs and outputs for component flexibility.
- HEOS® Built-in for whole-home integration and streaming options.
- Controllable by the leading voice control services.
- Designed to complement the MODEL 30 integrated amplifier.
- Available in Black and Silver Gold.

Modern Musical Luxury

SACD 30n

Technical Specifications

Network		
Engine		HEOS
