4K Media Streaming

Computers

smart+

See it all.

Control it all.

Play it all.

Take control of your home theater with voice commands. With the Alexa smart home and custom skills or Google Actions, control your smart+ projector with intuitive voice control using Amazon Echo and Google Home devices. IFTTT support enables interoperability with thousands of other smart devices.

NU FORCE PREMIUM SOUNDBAR

- Dolby Digital 2.0
- 2x full range aluminum drivers
- 2x woofers
- Ported and isolated chambers
- 40 watts of total power

Ultra Short Throw

ensures easy place and play setup.

SmartFIT

Auto geometry correction system ensures hassle-free setup that produces incredible projections using a smartphone.

TapCast

Enhance your home cinema experience with the TapCast companion app. Easily push and play music, images, photographs or documents, control your projector, screen share or install APKs from Android and iOS mobile devices. Wireless screen mirroring is supported via iOS, Mac OS X, Android, Chrome OS and Windows devices, too.

LaserGuard

Built-in sensors detect objects in the light path to automatically dim the light source.
