

42LX3QPUA

LG OLED Flex

- Bendable
- Ergonomic Stand
- Ambient Light
- Gaming Features

DESCRIPTION

FLEX YOUR GAME

Complete your gaming setup with the customizable LG OLED Flex TV that'll meet the demands of gaming, family movie night, and everything in between with the push of a button.

KEY FEATURES

Bendable

FLEX TO FIT

Curve the screen to the perfect angle at the push of a button for your optimal viewing experience. Go from flat to curve with ease to find the perfect fit, for whatever you're watching or playing.

Ergonomic Stand

FIND YOUR COMFORT ZONE

Adjust height, tilt, and swivel to find the perfect position for all your gaming and viewing needs.

Ambient Light

EXPAND YOUR GAME BEYOND THE SCREEN

Vibrant backlighting syncs with what's displayed on the screen for a fully immersive experience.

Gaming Features

UP YOUR GAME

Quickly adjust all your game settings in one location with the Game Optimizer and Dashboard and experience premium features like G-Sync and FreeSync, 120Hz Refresh Rate, and 0.1 ms response time for a more immersive gaming experience. Plus, 4 HDMI 2.1 ports with VRR and eARC support keeps you connected so you can focus on the win.
