

Take your home theater sound to a new level with this impressive 9-channel, 810W soundbar. Five (5) up-firing speakers, combined with a powerful subwoofer and wireless rear speakers, set the stage for an immersive surround sound experience. Dolby Atmos® and DTS:X® technologies create a spatial audio dome that fills even the largest rooms. The up-firing center speaker enhances dialogue clarity as if it's spoken in person. Catch scene-setting ambient sounds you've never noticed before.

LG Soundbar 9.1.5 ch. with  
Wireless Dolby Atmos/DTS:X  
and Rear Speakers S95TR
