Features

Hang your TV and soundbar as one

Add on the WB1 soundbar bracket to the WL905 TV wall mount (sold separately) for a theater-like experience at home. They swivel in unison, fit close to the wall, and complement each other perfectly. The WB1 includes a paintable cable cover that hides the wires between the TV and soundbar.^{1,3}

Swivels for best viewing

You can swivel your wall-mounted TV and soundbar and quickly adjust the angle for optimal viewing and easy access to connections.^{2,3}

Keeps cables neatly hidden

Just run the cables along the guides and they'll be neatly hidden away. Even when swiveling your TV, the cables are barely visible.³

Designed for safe and easy installation

The WL905 is designed for safe and easy installation, while the magnetic lock system provides secure latching when pushed flush to the wall.³
